Human Anatomy (Paperback)

By Margaret Matt, Joe Ziemian

Dover Publications Inc., United States, 2013. Paperback. Book Condition: New. 274 x 208 mm. Language: English . Brand New Book. Human Anatomy Coloring Book contains careful, scientifically accurate line renderings of the body's organs and major systems: skeletal, muscular, nervous, digestive, reproductive, etc. A total of 43 plates (often with several illustrations to a page) offers numerous views, cross-sections, diagrams and detailed closeups, labelled and numbered to correspond with suggestions for coloring. These suggestions are specially designed to emphasize the structural relationships in the body. By working through each system, the reader will gain not only an intimate knowledge of the location, appearance and role of the body parts, but will be laying the groundwork for more sophisticated studies of anatomy.

Reviews

These kinds of publication is everything and made me hunting ahead of time and more. I have got read through and i also am confident that i am going to gonna study yet again yet again later on. Its been printed in an extremely basic way in fact it is only after i finished reading this pdf in which in fact transformed me, alter the way i believe.
