Literary Licensing, LLC, United States, 2012. Hardback. Book Condition: New. Henry R Martin (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Why You BY WEBB B. GARRISON Illustrated by Henry R. Martin ABINGDON PRESS NEW YORK NASHVILLE To BRUCE and BEATRICE BLACKMAR GOULD Connoisseurs of Words Foreword Words and phrases are like persons. Some are dull and stodgy, while others are very good company indeed. It is from the ranks of the latter group that the words in this volume have been selected. Interest is the standard which determined whether or not a particular word or phrase should be included. Dedicated though it is to the general reader, it may be used with confidence by persons with special interests. In general, word-histories are developed along lines of standard scholarship. There are a few exceptions accounts based upon tradition. These stories, included because of their interest, are clearly indicated as based upon popular accounts. Much of the material included in this collection was originally published in the popular magazines which are listed on the acknowledgments page. Final research was done in the Joint University Library, Nashville, Tennessee. Many courtesies were extended by Dr. A. F. Kuhlman, director, and Mrs. Paul L. Wayman, circulation librarian. A Ladies Home Journal reader first suggested that this material should be published in book form. Coming as it did from a reader in the Transvaal, Africa, the suggestion carried much weight though it was not acted upon for some months. Unfortunately, that reader's letter has been lost, so it is impossible to give due credit by name. WEBB B. GARJEUSON 7 Acknowledgments Much of the material in this volume was originally published as short features in general and specialized magazines. Special thanks are due editors and publishers...
