

Celebrating Life: Beyond the Sacred-Secular Divide (Paperback)

Filesize: 4.78 MB

Reviews

Completely essential go through book. I actually have go through and i am sure that i am going to going to read yet again yet again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.

CELEBRATING LIFE: BEYOND THE SACRED-SECULAR DIVIDE (PAPERBACK)

[DOWNLOAD](#)

Send the Light, United Kingdom, 2007. Paperback. Book Condition: New. 212 x 140 mm. Language: English . Brand New Book. This is a book which demonstrates that everything indeed comes from God. As Christians, our engagement with the world and with culture is often impoverished as a result of unbiblical dualisms. More than we realise, the divide between sacred and secular is reinforced in our minds, contributing to an unhealthy and, at times, narrow super-spirituality. Seeking a more postmodern, holistic and, ultimately, more Christian approach to culture, Graham Buxton leads us on a journey towards the celebration of life in all its dimensions. The first part of the book examines the roots of our dualistic thinking and its implications for culture. Part Two draws us from dualism to holism in a number of chapters that consider our engagement with literature, the creative arts, science, politics and business. Part Three draws the threads together by setting out the dimensions of a more holistic theology of the church's engagement with, and participation in, contemporary society that will lead us beyond the sacred-secular divide .
