Reviews

It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

MASTERCLASS PRODUCT DESIGN: GUIDE TO THE WORLD'S LEADING GRADUATE SCHOOLS

Frame Publishers BV. Paperback. Book Condition: new. BRAND NEW, Masterclass Product Design: Guide to the World's Leading Graduate Schools, Sarah De Boer-Schultz, Kanae Hasegawa, Carmel McNamara, Marlous Van Rossum-Willems, Aimed at current bachelors degree students, recent graduates and professionals looking for a specialisation, Masterclass Product Design provides an in-depth overview of 30 leading graduate schools from all over the world that offer a masters degree in product design. The featured schools are selected based on a list of criteria including the quality of the graduation work, the employability and success of former students, the list of lecturers, and their reputation in the design industry. Each school is featured extensively over 10 pages containing useful information, such as programme description, application details and requirements, student demographics, mentor and alumni lists, tuition and scholarship details, and full contact details. The articles give a real insight into life at each of the schools and in the global locations each school profile opens with an introduction by the dean, followed by examples of recent student work, an interview with a successful alumnus, information about the schools location regarding housing, transportation and the cultural scene from a students perspective, and more. A world map indicating the demographic spread of included schools, a summary table and a notebook section with space for research notes, complete this guide to help potential students choose the school that will suit them best.
