Eastwood Harris Pty Ltd, Australia, 2016. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book. The book is packed with screen shots, constructive tips and contains workshops with solutions at the end of each chapter for the reader to practice the skills taught. It has been written so it may be used with the EPPM Web tool. The book is aimed at: * People who wish learn the software but are unable to attend a training course and find the software reference manual hard going. * Project management companies who wish to run their own software training courses or provide their employees with an alternative text to the vendor supplied user manual. * Training organizations requiring a training manual to run their own training courses. This book is a PMI Approved course and instructors PowerPoint slide shows are available to training organizations. PMI REPs may apply to have this course licensed to them and award 14 PDUs to each attendee. Primavera Systems Inc. originally asked the author to write this book and this publication is ideal for people who would like to gain an understanding of how the software operates up to an intermediate level. It covers the Primavera Versions 8, 15 and 16 EPPM Web tool. It explains some of the differences from the Professional tool, SureTrak, P3, Microsoft Project and Asta Powerproject to assist people converting from other products. The book is designed to teach planners and schedulers in any industry how to setup and use the software in a project environment. It explains in plain English and in a logical sequence, the steps required to create and maintain an unresourced and resourced schedule. It tackles some of the more complex aspects of the software that the user manual does not address. It highlights the sources of information...
