Sky Books. Paperback. Book Condition: new. BRAND NEW, Spandau Mystery, Peter Moon, This is a remarkable look into the intrigue surrounding the mysterious death of Rudolph Hess and why hundreds of millions of pounds a year were spent to keep him from having any communication with the outside world. This not only includes his association with the Vril flying saucers and Antarctica but other aspects of his legacy that have gone unnoticed. Told in the context of a historical novel, Peter Moon also fills in missing pieces of the Montauk saga by adding time travel to the mix and connecting dots that have previously been overlooked. This includes a look at three notable people who all lived in Egypt at the same time: Noble Drew Ali, Aleister Crowley, and Rudolph Hess. Directed by Tibetan elders, the Germans sought to harness the Vril, an energy so powerful that it can change the very nature of the elements themselves. To succeed, however, a major change was required in the evolutionary development of the human species. A dramatic scenario of events unfolded, however, which not only ensured that this endeavour was sabotaged but included an undertaking designed to prevent humanity from ever discovering its ancient heritage and the secrets of the Vril. It was against this backdrop that two of the most colourful characters of World War II, Rudolph Hess and George S. Patton, became immersed in an age old battle involving the legions of light and darkness. The end of World War II precipitated more intrigue and struggle for power than the war itself. Much of this centred around the secret projects sponsored by Rudolph Hess which included not only the Antarctic project but the construction of Vril flying saucers. Pattons job, as the war came to a close, was to recover...
