

Every Day is for the Thief

By Teju Cole

Faber & Faber. Paperback. Book Condition: new. BRAND NEW, Every Day is for the Thief, Teju Cole, A young man returns to Nigeria after fifteen years in New York. The country of his childhood has changed: it has found fast-food restaurants, email cafes, contempt for authority and the all-consuming draw of 'money for nothing'. From the consulate back in Manhattan to the dusty streets of Lagos, life runs like clockwork - as long as you can pay the fee: a bribe for the visa clerk; a 'Christmas gift' at immigration. Petrol pumps overcharge and internet cafes overflow with scammers. Every Day is for the Thief is a candid tale of political and spiritual corruption, and a moving account of what it means to go home.

This ebook is fantastic. It is actually written in straightforward terms rather than hard to understand. It's been designed in an extremely straightforward way and it is merely soon after I finished reading through this ebook through which in fact modified me, altered the way I really believe.

This book will be worth buying. Better than never, though I am quite late in starting reading this one. You may like how the blogger composed this publication.
