It has two aims - one to be a treatise for students upon Italian pronunciation as compared with English, based upon scientific phonetics, with numerous examples; and the other, to be at the same time a thoroughly useful phrasebook for travellers, with the pronunciation as accurately represented as is possible in any printed system. The traveller abroad finds his first need always to be the most ordinary and idiomatic phrases. He who knows nothing of the language is naturally entirely at sea, while even those who have studied the language in the classical method, too often find themselves in hardly less difficulties, for though they may write and read it, they often cannot pronounce or understand it. It is a guide...
