

Discovering Your Dawn: Only When You Find Your Dawn Can You Unlock Your True Potential (Paperback)

By Katherine Miracle

ADVANTAGE MEDIA GROUP, United States, 2009. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.When was the last time you made a decision? In all probability, it was moments ago. Making decisions is an inescapable necessity. Were you consciously aware of having made a decision---and, if so, were you aware of the process you used? Decision making is one-third logical and two-thirds psychological. As adults, we have been formed by the many influences in our environment. These include experiences in which we have actively participated, such as formal education, supervised job training, and employment. Other influences arose outside our control, yet they exerted an equal---if not stronger---role in our development. Collectively, these influences give direction to how we make decisions. The requirements for making a decision are deceptively simple: knowledge of the past, present knowledge, and awareness of future possibilities. In order to arrive at a decision, you must first consider those factors in the past that are relevant to the pending decision. Next, you will want to consider conditions that exist at the moment. Before making your final decision, you must give careful thought to what the results of your choice...
