Evangelicalism Divided: A Record of Crucial Change in the Years 1950 to 2000 (First Edition)

By Iain H. Murray

Banner of Truth, 2000. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. Iain Murray's historical overview of the fortunes and misfortunes of evangelical Christianity, especially in England, between 1950 and the century's end-time, will stir up both an approving and a dissenting readership. But no one can contend that it ignores some of the most vital theological issues of the time and the conflicts surrounding them. The narrative is well documented, and it details not only conflicts of perspective but inconsistencies and alterations of views by some of the leading participants in the events of the day. The names best known to Americans - Billy Graham, Martyn Lloyd-Jones, James Packer, John Stott among them - are evaluated, commended and critiqued as contributory to the present-day evangelical outlook and predicament. Navy cloth with gold spine lettering. x, 342pp., index. Solid copy. Full refund if not satisfied.
