Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Song-Roundels and Games During a number of years educators in all parts of our country have endeavored to make games more popular, and to some extent good results have been obtained. Games are played by children as well as adults in the numerous private and public gymnasiums and on the play grounds which city and school authorities have provided for the general public. In these gymnasiums and play grounds one finds children of various physical conditions, some strong and some weak, and it therefore follows that when games are played without system and supervision, the strong eventually become the main participants and the benefits which should be shared equally by all are reaped by the strong alone.
