By Barry C. Lynn

Turner Publishing Company. Paperback. Book Condition: new. BRAND NEW, Cornered: The New Monopoly Capitalism and the Economics of Destruction, Barry C. Lynn reveals how these massive juggernauts, which would have been illegal just thirty years ago, came into being, how they have destroyed or devoured their competition, and how they collude with one another to maintain their power and create the illusion of open, competitive markets. A confluence of small government zealotry and misguided efficient market theories has lead to a complete dismantling of government oversight of industry. Has that brought us the promised economic utopia?...
