

Finding Elysium: Hacked n Wacked (Paperback)

Filesize: 8.12 MB

Reviews

A top quality publication along with the typeface utilized was intriguing to read through. It is amongst the most awesome pdf i have got read through. Its been developed in an remarkably straightforward way and it is only right after i finished reading this publication in which actually altered me, modify the way i believe.

FINDING ELYSIUM: HACKED N WACKED (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.The protagonist of this tale is Ed Lane, a retired Army officer, widower, and father of a twenty-one year old daughter about to leave for law school. A few years ago, he embarrassed a congressman and was fired from his job as a Federal Police Inspector. Lately, he s been working at odd jobs-bail agent, pizza deliveryman, private investigator, and, most recently, bartender at Keiko s, a small jazz club. A Keiko s regular, the president of Elysium Analytics, hires Ed Lane to identify the person who hacked into his company s computer network and posted damaging information on the Internet. Lane interviews company founders, managers, employees, ex-employees, and others. All are dissatisfied and want something-managers, more power; employees, better working conditions and job security. All want company stock and more say in executive decisions, but the powers that be won t sell. When an Elysium co-founder is murdered, his wife hires Lane to find the killer. Two other co-founders have died recently, possibly murdered. Lane uncovers an old case of hacking followed by a murder. He theorizes that Elysium s hacking and murders were linked and follows up with an investigation that takes him to a computer chip manufacturer, marriage and family counselor, country club, decrepit RV, tank gunnery range, fanciful Oz, popular surfing spot, Elysium competitor, and lemon grove. Along the way, a suspect initiates a love affair, he tracks a killer, gets in tight spots, endures obstructive cops, applies creative interrogation techniques, unravels a twisted narrative of who did what to whom and why, and gains a greater appreciation of mom, apple pie, and the American flag.
