Commission
Ann C. Shulte, Ph.D.
University of North Carolina

Many students are not as aware as they need to be about how they study and learn. The Learning and Study Strategies Inventory (LASSI) is designed to help you develop an explicit strategy to become a more successful student.

The LASSI helps you to assess your strengths and weaknesses in six different areas related to being a strategic and successful learner in college. Research has shown that such an action is important for succeeding in higher education.
