By Ronald Difabbio

My public persona has been the normal person everyone sees and most like to be around. The guy, who teaches high school math, was a baseball star in college and has been a songwriter for the last thirty years. Yet in private, behind the mask I've so meticulously molded, I've been living with a deep and sometimes paralyzing fear. That fear is . . . I'm afraid to die . . . This book is about my journey into that world and my efforts to face that fear, a fear that I believe hides deep within the silent recesses of everyone's soul, and to see if there's a way out.
