Reviews

The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

Great inspiring events will mark this year in all our activities, and it is with the greatest satisfaction that we note the reservations being made for this Centennial Jubilee summer. We are mailing this beautiful Review so that you may make your plans according to the special events mentioned in its pages and we are hoping you will interest other friends who are planning a vacation for the summer. Our pleasure facilities have increased and the beauty of the grounds are beyond criticism; in fact, the opportunities for unequalled pleasure are legion; the tennis courts, baseball field, boating, fishing and hunting, all attract our many friends. There are guards in constant attendance to prevent any fatalities and children are given special attention at all times. This beautiful retreat can be reached by train, boat or automobile and is accessible from any point. Consider spending this vacation with your friends...
