BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. Tasia McFarland is a washed-up country-pop singer desperate for the break that will get her topping the charts again. The tabloids have raked over every part of Tasia s rocky life, following every high and low her addictions, her breakdowns, her increasingly erratic behavior and every broken relationship. The highlight of this lowlight reel: Tasia McFarland is the ex-wife of the president of the United States. So when Tasia writes a song with politically charged lyrics, people take note and her star begins to rise anew. In the opener of her comeback tour, she is lowered into a stadium on a zip line, and as helicopters fly overhead, she fires her prop Colt .45 at the fireworks-filled stage. Tasia is riding high. Until she s killed by a bullet to the neck before the shocked crowd of forty thousand. When video can t prove that the shot came from Tasia s own Colt .45, and the ballistics report comes up empty, the authorities call on forensic psychiatrist Jo Beckett to do a psychological autopsy and clean up the potential political disaster. But as Jo sifts through the facts, she only finds more questions: Was Tasia s gun loaded? Did she kill herself in one last cry for attention? Were her politically charged lyrics the rantings of a paranoid woman losing her grip, or warnings from a woman afraid and in danger? For Jo, pouring over Tasia s past becomes a race to extinguish the conspiracy rumor mill before it incites a level of violence that reaches America s highest corridors of power and tears apart the very fabric of our nation.
