A Short History of the 6th Division: Aug. 1914-March 1919 (WWI Centenary Series) (Paperback)

By Thomas Owen Marden

Last Post Press, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. This short history has been compiled mainly from the War Diaries. My reason for undertaking the task is that there was no one else to do it, the units composing the Division being scattered far and wide, and there being no Divisional habitat with local historians as in the case of Territorial and New Army Divisions. My object is that all who served with the Division for any period between 1914-1919 may have a record to show that they belonged to a Division which played no inconspicuous part in the Great War. This book is part of the World War One Centenary series; creating, collating and reprinting new and old works of poetry, fiction, autobiography and analysis. The series forms a commemorative tribute to mark the passing of one of the world's bloodiest wars, offering new perspectives on this tragic yet fascinating period of human history. Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context.
