Brand New Book ***** Print on Demand *****.Jessica Darnell's husband has died, and her house burned to the ground three weeks after his death. Jessica is crushed, but she can't wallow in grief. She's determined to raise her three children on a pure path. The family moves to a Montana homestead, but Jessica isn't your everyday earth mother. She's a fledgling mystic and is slowly unlocking her own power-and the power of the universe. As Jessica scrapes a life out of the Montana wilderness, she longs to find her soul mate, but her remote home presents few dating options. She turns to an astrologer and a local matchmaker, and to her surprise, her search reveals a series of past life connections. She dabbles in romances with a Lakota medicine man, a psychologist who regularly contacts extraterrestrials, a hay deliverer, and a game warden. As she explores her latent shamanic abilities, hilarious mishaps with shamans, shapeshifters, and spirit guides teach her lessons about life, balance, and real happiness. When she falls for a Texas oilman, it seems she's struck romantic black gold. But can she love him and be true to herself-and her newfound spiritualism-at the same time?.
