Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from First Outlines of Logic, Applied to Grammar and Etymology The present Treatise is limited to the exhibition of those points of Grammar which the construction of a single preposition is capable of explaining. These are the general nature of the Parts of Speech, and two sorts of Inflections. A wider latitude would have interfered with the intended brevity of the work. It presupposes on the part of the reader an average knowledge of the current terms and rules of the usual Grammars. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
