Principles of Academic Excellence: How to Be Academically Smart and Spiritually Sound (Paperback)

By Greg Erhabor

Createspace, United States, 2010. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Drawing from my experience both as a Christian leader and a lecturer over the years, the issue of how to combine one's Christian activities with one's academic pursuits has been a very thorny one. On one extreme, are those who believe that they are in school to study, have good grades and that the best way to testify their Christian faith is by being the best and graduating with honors and giving little or no time to the nourishment of their spiritual life. The former group of students devotes most of their time to studying with minimum time for spiritual activities or extra-curricular work. While there may be merit in this position, it ends up with the student being academically strong but spiritually weak, lacking spiritual qualities to meet with the challenges of life. On the other extreme are those who spend most of their time in various Christian activities and fellowship programmes to the point that they neglect their studies. The latter group of students soon finds out that their disposition mars their testimonies, puts...
