

Nothing Left to Burn (Paperback)

Filesize: 1.77 MB

Reviews

It in one of my personal favorite publication. Indeed, it is actually perform, still an amazing and interesting literature. Its been printed in an exceptionally easy way which is merely soon after i finished reading this book where really altered me, change the way i believe.

(Neal Homenick IV)

NOTHING LEFT TO BURN (PAPERBACK)

Sourcebooks, Inc, United States, 2015. Paperback. Book Condition: New. 206 x 140 mm. Language: English . Brand New Book. From the YALSA and RITA Award-nominated author of *Some Boys*, a smoldering new contemporary YA about love, loss and finding a place to belong. Dear Dad, I promised Matt I'd do this-become a Junior Cadet. That I wouldn't let you break me down. I know you hate me. Blame me for everything you lost. But that day I lost my brother and my dad. You could never be proud of me, could you? I was too different. So, just in case you haven't figured it out yet, I'm saying goodbye. Maybe someday, you'll miss me. Reece Reece's words make her ache. Amanda understands wanting to belong. As a foster kid, the firehouse where she volunteers is the only place that feels like home. She wants to help Reece, but his dad is her boss. And she won't risk her place as a Junior Cadet-it's all that she has. But when a string of arsons suddenly point to Amanda, her whole world is about to go up in flames. And the only way to save themselves is to risk getting burned. Praise for *Some Boys*: A gut-wrenching story. -Library Media Connection A bold and necessary look at an important, and very real, topic. Everyone should read this book. -Jennifer Brown, author of *Thousand Words* and *Hate List*.
