Some people wander through life not knowing where they are going, but are still confident that they will get to their final destination. Some people leave the route planning to their satnav or tour guide, and rely on them to take them to their final destination - but if you don't know where you are going in the first place, you could end up anywhere! Life is far too important to leave to chance. Deborah Kormi, founder of The 1Way Project, shows how it's no use 'talking the talk' if you are not 'Walking the Walk' with Christ by your side.
