Brand New Book ***** Print on Demand *****.Excerpt from Labors in the Vineyard: Twelfth Book of the Faith-Promoting Series; Designed for the Instruction and Encouragement of Young Latter-Day Saints The constantly increasing demand for the books of the Faith-Promoting Series has induced us to prepare this little work, with the hope that it will prove no less interesting nor instructive than its predecessors. The fact that these publications are used in many Sunday schools with most excellent results and are read with avidity and interest by the young people in all parts of the territory, is an evidence to us that our labors are not in vain. Some of the incidents narrated in this book are so miraculous that one is naturally led to exclaim, truth is really stranger than fiction; and occurring, as they have done, in the experience of our faithful Elders, they have a double interest for young Latter-day Saints, and will surely be the means of strengthening the faith of all those who expect to participate in the glorious labors that devolve upon this people. Such examples, too, as are herein presented will, undoubtedly, have the effect to instil a proper amount of righteous ambition into the minds of the young, thus causing them to exercise talents which are designed, if properly used, to make of them noble men and women.
