

Sustainable Me II: Counterintuitive Conservatism (Paperback)

By Ben Thomas

Createspace, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.This second book in Ben Thomas Sustainable Me series takes a candid look at the environmentally conscious conservative. There is a conflict that rages within the conservative heart when it comes to the green movement. They really want to be green but it would mean crossing party and ideological lines to do so. It's quite the conundrum! The subtitle of this book is Counterintuitive Conservatism but it may as well have been Schizophrenic Conservatism. Part of the problem for conservatives, Republicans, and evangelical Christians is both as simple as guilt and a penchant for playing with the wrong crowd. The guilt is disobedience to the most basic principles of a Biblical mandate to care for the environment and the wrong crowd is big oil, big farming, and big business. Most of us argue most vehemently when we already know we are wrong and become defensive. We are out of contact with the real environment and become contradictory or antagonistic. This along with complete denial is descriptive of conservative, Christian America. Growing up in the south as a...

Reviews

Undoubtedly, this is actually the best operate by any publisher. It is among the most amazing pdf i have got read. Its been printed in an exceptionally straightforward way which is just after i finished reading this book in which actually altered me, change the way i believe.

-- **Deonte Kohler PhD**

It in a single of my personal favorite publication. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.
