Brand New Book ***** Print on Demand *****.Excerpt from Masterpieces of the World s Literature, Ancient and Modern, Vol. 1: The Great Authors of the World With Their Master Productions From the time when men first created literature, they began, and they have continued ever since, the collection and preservation of its records. Before the days of writing even, and when literature existed only in the most primitive forms of verse and prose, - in ballads and liturgic chants on the one hand, and in apologues, fables, and folk-tales on the other, - each generation transmitted to the next these simple efforts of untaught genius, and they transmitted them through those who memorized them and in turn taught them to their successors. It was in this way that some of the greatest epics of the world have been preserved to us; and it is evidence of the high esteem in which collected literature was held even in the days when civilization was only dawning, that the persons of these reciters and transmitters of verse and prose were almost universally held to be sacred. After...
