HOW DARK THE WORLD BECOMES

Baen Books. Book. Book Condition: new. BRAND NEW, How Dark The World Becomes, Frank Chadwick, Sasha Naradnyo is a gangster. He's a gangster with heart, sure, but Sasha sticks his neck out for no man. That's how you stay alive in Crack City, a colony stuffed deep into the crust of the otherwise unlivable planet Peezgtaan. Alive only - because if you're human, you don't prosper, at least not for long. Sasha is a second generation City native. His parents came to this rock figuring to make it big, only to find that they'd been recruited as an indentured labor force for alien overlords known as the Varoki. Now a pair of rich young Varoki under the care of a beautiful human nanny are fleeing Peezgtaan, and Sasha is recruited to help. All things considered, he'd rather leave the little alien lordlings to their fate, but certain considerations - such as Sasha's own imminent demise if he remains - make it beneficial for him to take on the job. But Sasha discovers his simple choice has thrust him into the midst of a political battle that could remake the galactic balance of power and save humanity from slow death by servitude. Now all he has to do is survive and keep his charges alive on a hostile planet undergoing its own revolution.
