LC Number: HF73. U5 U27 2001 OCLC Number: (OCoLC)45815907 Subject: United States -- Commercial policy. Excerpt: . . . Overview surmounting the various challenges to a successful census that the Bureau faced in 2000 came at considerable cost. Moreover, the single most important determinate of a successful census - the completeness and accuracy of the census count, and in particular, the size and nature of the undercount - will not be known until the Bureau completes various accuracy and coverage assessments. Consequently, as the Bureau looks toward the next census, continued societal and demographic changes such as more complex living arrangements and a large non-English-speaking population, will make the national headcount in 2010 at least as challenging as it was in 2000. As a result, it will be important for Commerce to ensure that the Bureau completes its evaluations of key census operations as planned, and explores innovative options for a cost-effective census in 2010. The National Oceanic and Atmospheric Administration (NOAA) within Commerce owns and operates a fleet...
