

Jim Henson: The Biography (Paperback)

Filesize: 3.2 MB

Reviews

This sort of ebook is every thing and made me hunting forward and a lot more. I have read through and i also am confident that i am going to going to go through once again once more in the foreseeable future. I discovered this publication from my dad and i encouraged this book to discover.

JIM HENSON: THE BIOGRAPHY (PAPERBACK)

Ballantine Books, United States, 2016. Paperback. Book Condition: New. 210 x 140 mm. Language: English . Brand New Book. NATIONAL BESTSELLER NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BOOKPAGE For the first time ever a comprehensive biography of one of the twentieth century s most innovative creative artists: the incomparable, irreplaceable Jim Henson He was a gentle dreamer whose genial bearded visage was recognized around the world, but most people got to know him only through the iconic characters born of his fertile imagination: Kermit the Frog, Bert and Ernie, Miss Piggy, Big Bird. The Muppets made Jim Henson a household name, but they were just part of his remarkable story. This extraordinary biography written with the generous cooperation of the Henson family covers the full arc of Henson s all-too-brief life: from his childhood in Leland, Mississippi, through the years of burgeoning fame in America, to the decade of international celebrity that preceded his untimely death at age fifty-three. Drawing on hundreds of hours of new interviews with Henson s family, friends, and closest collaborators, as well as unprecedented access to private family and company archives, Brian Jay Jones explores the creation of the Muppets, Henson s contributions to Sesame Street and Saturday Night Live, and his nearly ten-year campaign to bring The Muppet Show to television. Jones provides the imaginative context for Henson s non-Muppet projects, including the richly imagined worlds of The Dark Crystal and Labyrinth as well as fascinating misfires like Henson s dream of opening an inflatable psychedelic nightclub. An uncommonly intimate portrait, Jim Henson captures all the facets of this American original: the master craftsman who revolutionized the presentation of puppets on television, the savvy businessman whose dealmaking prowess won him a reputation as the new Walt Disney, and the creative...
