Certainly, this is actually the greatest job by any author. It is definitely simplified but excitement inside the 50 percent of the book. I am just easily will get a delight of studying a composed pdf.

KILLING CUPID A JAINE AUSTEN MYSTERY

Kensington, New York, New York, 2013. Hardcover. Book Condition: New. Dust Jacket Condition: New. Hiro Kimura (illustrator). First Edition. "When Jaine lands a job writing web copy and brochures for matchmaker Joy Amoroso, she's excited for a chance to help the lovelorn just in time for Valentine's Day - until she realizes what "Dates of Joy" is really all about. Joy is a ruthless taskmaster who screams at her employees for the smallest infractions, pads her website with pictures of professional models posing as clients, and offers up convincing but empty promises of love in exchange for inordinate sums of money. And woe betide anyone who lays a finger on her heavily guarded stash of chocolates. So it's no surprise when the chiselling cupid turns up dead at a Valentine's Day mixer. Aghast to find herself on the cops' suspect list, Jaine sets out to track down the killer. Who could it be? Joy's harried assistants, whose lives she made a living hell? Her younger lover? The handsome hunk of a client with a secret in his past? Or the furious Beverly Hills widow who forked over the last of her savings for a Prince Charming who never materialized? Joy left behind a slew of enemies struck by her deviant arrows, so finding the culprit may prove harder than spotting that elusive caramel praline in a box of chocolates - and Jaine will have to flirt with danger to get to the truth". Size: 5.9 x 1 x 8.5 inches.
