*Simply no phrases to explain. It is definitely simplistic but shocks from the fifty percent from the pdf.

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.My name is Jeff Alan Meints and I have been writing poetry for over twenty years, since the seventh grade at Hidden Valley Middle School in Escondido, California. This book has the first two hundred poems that I wrote during the years of 1991 to 1996 and that is the reason I titled this book, Childlike Ways, because these were the days of my inner child. Please enjoy the evolution of my writing and these beyond corny poems from my childhood. After the read I hope you check out the next few poem books in the series, Youthful Trips (1994 1999), Enter Adulthood (1997 2000) and The Road Less Traveled (2000 2016).
